MIXX FM

SHOP LOCAL

*in the Grampians and
Wimmera Mallee*

Mixx FM and 3WM want to highlight everything that is good about shopping and living in the Wimmera-Mallee! In these tougher times we need to get together and support local businesses.

Your business can be a part of the Wimmera-Mallee's biggest **Shop Local** promotion, supporting local businesses, your local community, saving jobs and helping our region grow.

Remember, this is not an advertising campaign for just your business or service, but a highly subsidised **Shop Local** campaign for our whole area.

ACE Radio heavily support the Shop Local message

with this exceptional campaign that will see thousands of messages play over 12 months.

Put your business in **Shop Local** for just \$200^{+GST}. This is a **one off** charge, **not** a monthly contribution for your involvement over 12 months.

Your message will play a minimum of 50 times, but the nature of the campaign is that each message played supports the other businesses with the same **Shop Local** message.

We will provide stickers to highlight your business as an official **Shop Local** participant.
